

# Brush To Win Program

## Sandstone Dental Brush To Win Teacher's Check List

Dear Teacher,

Thank you for participating in our Brush to Win program. To get started:

- ☐ **Download the Registration Form** to register your school/class. Completed Registration Forms can be emailed to [info@sandstonedental.ca](mailto:info@sandstonedental.ca) or faxed to 403-775-4226.
- ☐ **Download the Brush to Win calendar** for the month your school/class will be participating. Before giving it to your students, add your class grade and name. The program is available to each school for one month during the year. A customized calendar is also available to use when the contest period does not cover a calendar month. Before making copies for each participating student, add your class/grade/school name. The contest spans any four week period during the school year.
- ☐ **Provide a letter to the parents explaining the program** (a link for a sample letter is available on the Brush to Win page). We suggest that you copy, add your name at the bottom and print the letter on the back of the calendar page. These can go home with the students in the dental "goody" bag.
- ☐ **Collect the calendars after the end of the participating month.** Please ensure that each students' full name is legible and that the parental consent is signed. Entries without a signed parental consent will not be eligible to win.
- ☐ **Arrange a time and date for the presentation of student prizes.**

220 – 66 Sandarac Drive NW, Calgary, Alberta T3K 4L2
